# Wade to Vie for Two Year Place

Wave  
20 Sep 1984

Carol Wade  
"I always look for the  
art, especially wood  
workings, because of  
their beauty."

I, Rodney Wade, owner and operator of the Park City Truck Lines, Inc., looking to build a better community, by serving as your two year County Commissioner. As a life long resident of Heber Valley, I am aware of the problems and the desires of the citizens.

My wife Carol, and I have thirteen children and two grandchildren. We are happy with the education and economic opportunities that our community offers.

As your commissioner, I would work to encourage industrial development, that our children may have a livelihood here.

I have operated the Park City Truck Lines for twenty years. I attended the Wasatch High School System and graduated from Wasatch High School.

I am a successful farmer, specializing as a registered horse and sheep breeder. I have served my community in many volunteer services, coaching little league baseball for 17 years, advisor to High School Rodeo Club for 8 years. I have served as an officer in the Heber Valley Horse

**Rodney Wade**

Association, Heber Valley Riding Club, Heber-Kamas Cutter Association, and a member of Wasatch County Parks Board Commission.

I have served my church in many capacities.

I seek your vote on Nov. 6. If elected, I promise you fiscal responsibility, and will do all in my power necessary, to see that Waatch County meets the needs of its citizens.
